

<p>Summer On - M. McKoy Get your summer on, Speedos out, don the thong You can do no wrong; sexy body looking good (ya looking sexy baby) Get your summer on; boys and girls, winter's gone Beaching all day long, living life just like you should Get your summer on</p> <p>You can smell it in the air; That funky feeling everywhere People acting crazy when you call out their name Wearing next to nothing in the street it's insane Shorts are getting shorter who am I to complain Everybody outta be a part of this game It's all good, just do your thing</p> <p>It's Friday night up in da club; You're feeling like a little love Honey's looking fine so you ask her to dance Hommy's looking good so you're taking a chance Hoping they're the kind to grind and skip the romance Have a time but don't forget the coat for the lance It's all good, just do your thing</p> <p>The days are getting longer; the sun is getting stronger People everywhere; carouse without a care The attitude is lighter; dark clouds are getting brighter Bodies looking tighter; summer's here</p>	<p>Just Wanna Say... You and only you...</p> <p>I lost my way yes I lost my way but I was filled with good intention The love I felt for you was in doubt I let you down I know I let you down too many times than I care to mention That old lame excuse is so worn out I never told you those three words You needed to hear—but oh....</p> <p>Just wanna say that I like what you do to me Want you to be with me exclusively Just wanna say that I like what you do to me Want you to know that I'll never let you go</p> <p>On my mind always on my mind even though I never show it I think about you day and night Never knew no I never knew that you were feeling so neglected What can I do to make it alright I know you have got to reassess What you want from me—but oh....</p> <p>Running all around trying to figure out; Where my life is going what's it all about Now I see the light future's looking bright; And it leads to you and only you</p> <p>What ya gonna do; what ya gonna do; Tell me baby Cause I like the things you do to me...</p>	<p>Save It for a Rainy Day I know that you know you missed out on a good thang But that ain't my problem baby; you could've been the one who saved me Ya show your face out of nowhere And expect me to go where-ever you want and do what you wanna do - no</p> <p>Gave you a chance to get with my love you pushed it away, ooooh Now it's too late so save it for a rainy day</p> <p>You turned me away when I wanted you to be my lover Loving only me and no other; you said you had a world to discover We are just friends is what you told me; Nothing more we ever shall be Well, look at you now so upset cause I won't give you no play - hey</p> <p>Tried so many, many times to make you understand That I really, really wanted me to be your man You said nothing nice; you were cold as ice Why did I not run right then Fell so hard I never thought I'd ever love again My days and nights fell in a heap of empty loneliness Now there's someone new; It's too late for you Don't even try to bust my groove</p> <p>Now you say you want it; really really want it Ready for my love oh no, no no Just turn yourself around and go, go go</p>
<p>The Diss I know you see me standing over here You're trying to pretend that you don't hear Me calling your name; you are so lame; oh what a shame Can't believe you dissed me this way</p> <p>Why you be iggin' you know damn well we been jigin' Tell me how can you act like you have never seen me before in your life; alright We got together just the other day Had a little fun and then we parted ways Just a casual thing to ease the tension So what is your problem</p> <p>Why you be illin' you know damn well we been chillin' What is so wrong with getting your groove on And saying how-de-do the next day, Okay You know I'm giving you the benefit; of the doubt Thinking maybe you just can not deal with it Why the masquerade and the cold shoulder Better think it over</p> <p>First you held my hand; then we made a plan (ooo aaa made a plan) Seemed like such a good idea at the time, now (ooo aaa 'dea at the time) When you pass my way, in the light of day (ooo aaa light of day) Without so much as a smile; you walk on by (ooooooo)</p>	<p>Chill Dance It's getting early and I know what I feel The joint is jumpin' but I just wanna chill Need to take time; get into me Enjoy what I'm feeling inside Spread out your arms; follow my lead Sway side to side; close your eyes</p> <p>Everybody do the chill dance; the chill dance Everybody do the chill dance; the chill dance</p> <p>Get on the dance floor or stay in your seat Just move your body to rhythm and beat Need to take time; get into you Enjoy what you're feeling inside Spread out your arms; let yourself do What comes na-tu-ral-ly; close your eyes</p> <p>Don't give a care if they're staring at you (staring at you) Just put all that out of your mind (out of your mind) Let yourself dream; they will come true Everything will be just fine (oooh)</p> <p>Everybody come; Have yourself some fun Ain't no need to run; Just get your groove and do the Chill Dance</p>	<p>Slip Away We're at a party; you're wriggling a little close to me babe Do you wanna throw down (wanna throw down) Whatever you need, I'm eager to please; I'll go down on my knees(down on my knees); you know I will It's early in the morn; too late to play this game I wanna get it on; I hope you feel the same The vibe you're sending off; it smells just like desire Let's blow this party off; go home and fuel the fire</p> <p>I think the moments on; let's go before it's gone Baby boo come on let's slip away I think the moments on; let's go before it's gone Beat the morning sun let's slip away</p> <p>If you don't wanna play; All you gotta do is say... I'll find another way (uh, uh ,uh) But I'd rather have the real thang; Ain't nothing like the real thang So hurry up and finish your cold drink; And bounce wit me; bounce wit me It's early in the morn; too late to play this game I wanna get it on; I hope you feel the same The vibe you're sending off; it smells just like desire Let's blow this party off; go home and fuel the fire</p> <p>(Slip away with me) You know you want to (Slip away with me) You know you need to honey honey (Slip away with me) Don't say good bye to nobody Slip away, slip away, slip away – yeah...</p> <p>Rap (Convict) Come on ma; just take a hand with me Move over the floor and take a dance with me I've been feeling you ever since you snuck a glance at me The night's too young not to take a chance with me I won't promise you the world girl Cause I don't get down like that (I don't get down like that no) Slip away with me. I'll take you to new heights Guaranteed to be one memorable night Show you sunset to sunrise, city skylines Walks along the beaches, features lit up under moonshine Too fine; don't want this evening to end Not yet a lover; already more than a friend Slip your dress off baby you won't be needing it Take a swim with me ma, come on a skinny dip Back rub in the hot tub Move your body underwater like a war sub And feel my love One question boo; are you down to ride? Well if so, let's take the party inside.</p>

<p>Little Thang Looking at your face in the early morning sunlight You're so beautiful when you open your eyes Feelings come on so strong knowing it won't be long, 'Til our lips meet There's no way to deny; my love is rising.....</p> <p>I love laying in bed beside you when you wake up Hoping you'll be in the mood to do that little thang That thing that you do</p> <p>There's no place that I'd rather be than here and now Bathing in all the splendour of your perfect smile, baby You hold the secret key to my heart Words can't describe what's inside Just a touch and my pulse races; let it start...</p> <p>I'm so excited thinking of the things we're gonna do I can not hide it baby I wanna get with you I can hardly wait 'til the moment you wake up Touch me here; kiss you there Making sweet love the morning through</p>	<p>Home The truth and no joke about it; I know I messed up (messed up...) When will I see you smile again Now that you've had time to think about it; where do we go from here I need to know exactly where I stand</p> <p>I miss you; yes I do Why won't you come back home Sunny days; here again Won't you please come back home</p> <p>Looking through my window, I can see the rain fall down (<i>fall down...</i>) Memories of you rush through my mind, darling Love's supposed to feel good; baby we can work things out Why, why, why, why, why don't we give it one more try</p> <p>Home is where the heart is baby And yes you belong right here Beside me in life; in love Together; forever</p> <p>Believe me when I say I'm feeling sad Picked a fine time to leave baby what's up with that What am I gonna do I just don't know – woohhhh – hoo hoo</p>	<p>Mary Lou Mary Lou he don't deserve you; he'll only hurt you and desert you He'll make you feel bad and leave you real sad And all he'll say is sorry</p> <p>I heard it through the grapevine; that you and he were kicking it; girl have you gone insane There's talk going 'round town; that he is always sticking it; every-anywhere he can Now you know 'bout his reputation; but you still go anywhere he takes you Girl, what you sow you surely will reap but it's hard for me to stand back while he breaks your heart</p> <p>Over time you will understand what I'm trying to say to you What goes on in the dark must come out in the light His true colours will show; you're gonna feel like such a fool When you realise he's a low down dirty dog</p> <p>Ain't trying to scare you baby and you know I'm not the jealous kind I only wanna see you happy in these crazy times, Mary Lou</p>
<p>My T.V. Screen Everybody gather round. Don't you give a damn what's going down? I'm not trying to preach, not trying to rule your mind Just making you aware what's being left behind Multicultural is all a big disguise Point your remote control and open up your eyes.</p> <p>Black, white, yellow, red, dark and light peachy colour green That's what I see out on the street, a melting pot of everyone plus you and me, well Black, white, yellow, red, dark and light peachy colour green This is the world or so it seems, but it ain't depicted on my T.V. screen</p> <p>Don't say that it's ok, don't tell me it's all good 'Cause sure as hell you know I'll be misunderstood – my friend well More times than not they use your flavour for their gain It's wrong and it's not fair; your vigour must remain It's rarely witnessed, you landing on your feet – well It's pretty much guaranteed, you won't be living nowhere near Ramsey Street But chin-up matey things are getting better all the time The small screen scene is changing One day they'll expand their minds</p> <p>We're so sorry you don't shower, drink, nor do you wash your hair Viewers of our programs can't relate to your look on the air Yes there is a presence but it's just the essence That's all anyone should see But when we hype a stereotype 'crash bang' you're on T.V.</p>	<p>GONE You had to go and leave me; All alone to fend for myself I'm so lost without you can't you see; Left to rot away in this empty shell After all has been said and done There's the rest of my life to carry carry carry on No way! No way! Can't keep going, just can't keep going, I can't keep going on when you're gone Oh, no; You're already gone And you're gone ; You're gone</p> <p>I do believe there's a bit of light at the end It seems so far away I simply can not persevere All my friends say I gotta keep on keeping on My ears hear it all but my heart don't see that happening here After all has been said and done The day will come when I must move on; move on; move on No way! No way Can't keep going, just can't keep going, I can't keep going on when you're gone Oh you're gone; I never got the chance to say goodbye You're gone; gone; gone; gone; gone, gone, gone, gone You're gone</p> <p>Oh, I'm just rechin' and hopin' that someday you'll come back to me And everything will be alright Wantin' and prayin' I'll wake up and it's all just a dream And you'll be here right by my side</p> <p>While I'm able to stand here and plead my case I just wanna say that it just ain't right to leave someone Without a word, without a trace I lay in bed so many nights wondering what I could have said; what I could have done Wherever you are I miss you</p> <p>Oooh, And after all has been said and done The day will come when I must move on; move on; move on No way! No way I Can't keep going, just can't keep going, I can't keep going on when you're gone Oh you're gone; Day and night all I do is cry and you're gone You're gone, gone, gone, gone, gone, gone, gone, gone You're gone</p>	<p style="text-align: center;">-----</p> <p style="text-align: center;">Madison McKoy 10th Child Lyric Sheet</p> <p>Contact: MJM Entertainment PO Box 969 Darlinghurst, NSW 1300 Ph: 0403 785 820 Email: mjm_entertainment@ozemail.com.au</p> <p style="text-align: center;">-----</p>
